

## **OUR LADY OF PEACE PRIMARY- CHEBUKAKA**

**P.O BOX 475- 50202 CHWELE**

### **EXPENDITURE FOR KITCHEN PROJECT**

#### **Thanksgiving Message**

On behalf of the entire school community of our lady of peace Chebukaka, I and the sisters working in the school extend our heartfelt gratitude to the Christians from all parishes that contributed towards this project for your generous support and unwavering commitment to our learners. Your sponsorship toward the construction of our new school kitchen has been a tremendous blessing. The school has grown very fast. The primary section now has 520 pupils and the ECDE section has 310 children. Touching all this lives means a lot. This kitchen will serve the school and many children in the years to come.

This meaningful contribution not only improves the well-being and nutrition of our children/ pupils but also reflects God's love in action. Your kindness will impact generations, creating a safe and dignified space where children can receive meals that nourish their bodies and minds.

May the Lord richly bless you for your selflessness, your partnership in shaping our children's future, and your dedication to serving the community. We are truly thankful and honored to walk this journey with you.

**Thank you for being a light and a blessing to our school.**

### The financial report of how the funds were used for the kitchen.

<i>Sr no.</i>	<i>ITEM</i>	<i>QUANTITY</i>	<i>COST (KSHS.)</i>	<i>TOTAL (Ksh.)</i>

	<b>TOTAL</b>			<b>2,031,007</b>

**INVOICES AND RECIEPTS WILL BE HAVE BEEN SEND AS ATTACHMENT.**

TOTAL MONEY RECEIVED KSH. 2,340, 000 EQUIVALENT TO 15810 EURO AT EXCHANGE OF KSH. 148

TOTAL MONEY SPENT KSH 2,031, 007 EQUIVALENT TO 13,723 EURO

BALANCE KSH 308,993 EQUIVALENT TO 2087 EURO

After consultation with Anny Haenraets I used this balance on the dormitory construction at the same school our lady of peace primary school. Sinkel and winkel gave the school a donation of 1,430, 000 for construction of the boys' dormitory. The Lenten fund raise balance money was used to buy construction stones and cement,

200 bags of cement at a cost of Ksh. 950 = 190,000

1390 stones @ 85 = 118,150

Total 308,150

This amount will be reported for winkel and sinkel as a donation from the Lenten fund raise of the catholic parishes.

**THANK YOU SO MUCH AND MAY GOD BLESS  
YOU ALL.**
